### HIGH DESIGN ITEMS

#### 7. Raawii Strom Ceramics Collection, by Nicholai Wiig-Hansen

These sculptural ceramic pieces are inspired by the still life paintings of the Danish modernist artist Vilhelm Lundstrøm. Handmade in Portugal using a slip-cast technique, they marry refined simplicity with everyday function. They pick up on the color palette and minimal yet mindful proportions of the bowls, vessels and vases that characterize Lundstrøm's work. Available in a range of six beautiful colors, and six sizes.

Price range: \$60 - \$125

#### 8. Diana Broussard - Jewelry Collection

Fresh from Paris Fashion Week, a unique, contemporary piece of jewelry from Diana Broussard's new 2019 collection, is always a showstopper and a welcomed gift. Broussard creates her collections with the finest materials coupled with intricate, unexpected detailing and a sincere respect for Italian craftsmanship. Collection ranges from \$180 - \$295

#### 9. Andrea Valentini Handbags & Accessories

Carry a work of art with you! The minimally designed "Slot Wave Tote" is made to be flexible as it collapses flat and bounces back. This dreamy texture and lightweight feel is durable, washable, and waterproof! An articulated edgy tote, highlighted by a surface texture of hexagonal patterns, this by far, is the coolest tote around town or at the beach. Made of a new and improved AV High Performance neoprene textile in factories in the USA. Handcrafted. Also available in a variety of colors and cross-body or wristlet style. 12"x12" Collection ranges from \$48 - \$248
